<p>Can you draw a compass? A compass is a device that we use in order to navigate and find out where north, south, east and west are. Can you draw what you think a compass looks like and put the points of the compass in the correct order. Too easy? On compasses there are more than just four points. Can you place these other four points in the correct place on your compass? North west, north east, south west and south east. Date completed</p>	<p>Can you list all of all the things you like to do? With all this time off school you have probably found many different ways to keep yourself busy. Make a list of all the different things you like to do during your free time. Too easy? Write why you like doing these things and how long you spend doing them. Date completed</p>	<p>Home Learning Topic Task Task Overview</p> <p>Pretend you are the nations P.E teacher (like Joe Wicks).</p> <p>You have been given the task of being the nations P.E teacher while all the children are off school. There are several tasks you have been given you help you complete your role:</p> <ul style="list-style-type: none">- Plan daily exercises for the nation to complete.- Decide how you are going to show everyone your exercise routines e.g. are you going to do a live stream on YouTube or are
<p>Can you think of a rhyme to help you remember the order of the compass point? Sometimes it can be hard to remember which order the compass points are in, many people think of a rhyme to help them remember it. For example, I use Never Eat Shredded Wheat in order to make sure I get them in the right order. Can you think of a different rhyme that would help you remember the correct order of the compass points? Too easy? Can you think of a rhyme which involves the extra compass points from the previous task? Date completed</p>	<p>Can you pick your favourite thing to do? Out of all the things you have listed I imagine that there is one thing you like doing the best. Can you pick your favourite and state why this one is your all-time favourite thing to do during your free time. Too easy? Write about why the other are not your favourite thing, you could put your list into an order from your most favourite to your least favourite giving your reasons for each. Date completed</p>	

<p>Can you draw a map of your local area? Compasses tend to be used on maps in order to help people see the location on different points on a map. Can you draw a map of your local area which includes key locations in your area such as leisure centres and post office. Make sure you include your house!</p> <p>Too easy? Can you put a compass in the corner of your map?</p> <p>Date completed</p>	<p>Can you write an introduction about your favourite thing to do? You are going to create a presentation for the people in your house about your favourite thing to do during your free time. You need to give them an introduction about what this thing is first. So, can you write an introduction which includes facts about your favourite thing to do. Maybe you could use ICT to find things out about it that you didn't know before. Write these down so you can have them in front of you when you do your presentation.</p> <p>Too easy? Use ICT to type up your introduction. Date completed</p>	<p>you going to post videos on Facebook?</p> <ul style="list-style-type: none"> - Create a weekly food plan for everyone to follow which consists on healthy meals. - Record one of your workout videos that you would show everyone. - Create a poster to encourage people to watch your videos and use your meal plans. <p>You can use ICT devices such as phones, tablets and iPads. Or you can choose to use pen and paper to complete these tasks. Spread these activities out over the week.</p> <p>Be as creative as you can!</p>
<p>Can you list where certain things on your map are using compass points? Pretend you are standing outside your house, use your drawing of a compass to write 4 sentences about where key locations are in your local area. For example, the leisure centre might be east of your house.</p> <p>Too easy? Write 8 sentences about where locations are from your house using the extra compass points listed above. Date completed</p>	<p>Can you write about why you like this thing and what it makes you feel like? There must be a reason why this is your favourite thing to do. Can you write about what you like about this thing, how long you have been doing it for and maybe explain what you made you start doing this thing.</p> <p>Too easy? Use ICT to type up the next part of your presentation. Date completed</p>	
<p>Can you design a compass poster for your bedroom? Now you have learnt about compasses and what they are used for create a poster including all the information you have used. Make use to draw the compass and include all the compass points you have learnt about as well as the rhyme you have created to help you remember the order that the points are in.</p> <p>Too easy? Create this poster using ICT so that the writing and the images can stand out. Date completed</p>	<p>Can you present your work to someone else in your house? You should now have some information about your favourite thing to do. You now need to present it to someone in your house. Once you have finished your presentation ask the person you presented it to if they have learnt anything new from your presentation.</p> <p>Too easy? Use ICT while presenting so you can show some images of your favourite thing to do. Date completed</p>	

Thank you for completing the School Closure Home Learning Task Sheet – Your support is very much appreciated. Please return this sheet to your child's class teacher on return to school. Diolch yn fawr!
